PRINCIPAL'S CORNER

Dear PVES Family,

PVES is a wonderfully diverse school and throughout the year we will be honoring many cultures. We begin with Latino Heritage Month that is September 15th through October 15th. PVES is celebrating by studying the wide range of Latino countries worldwide. Classes have chosen a country to study and will present their research at an assembly on October 7th.

We'll also be honoring Latino Heritage month with an assembly brought to us from Calibri, an all women's Mariachi band. This is the same group that came last year and they are fantastic! They are entertaining, educational, and groundbreaking all at the same time! They'll be with us on September 30th.

More details about times and location will be included in newsletters as we get closer to the events.

On a personal note, I've been dealing with an injury on my foot that is having a difficult time healing. The doctor has asked that I try and stay off my foot as much as possible. This is why I haven't been out the last few days at drop off and pick up. It's also why I was unable to attend the beach clean-up this Saturday.

Hopefully I'll be back on my feet this coming week. Thank you in advance for your understanding and patience.

Enjoy the rest of your weekend!

With warmest of regards,

Rebecca Johnson
Principal

**BE AN ART IN ACTION
VOLUNTEER!**

Simply:

Attend an Art in Action
Training at 8:20 in the PVES
library on Tuesday,
September 20th

AND

Meet all the requirements
of a school volunteer:

- / TB clearance
- / Completed Volunteer Form
- / Attend a training with Mrs. J

**Come and Join the Fun,
be and Art In Action
Volunteer!**

OSPREY NEWS

MONDAY MORNING ASSEMBLIES

Thank you to everyone who came to our first Perfect Attendance assembly! It was very enjoyable to see so many students who were honored for being at school everyday.

We have grown so much over the past two years that it's difficult to gather as one school community. To help bring back that whole school community spirit, this Monday we're going to have an outside assembly at the basketball courts. There will be some announcements, we'll say the pledge together, and then recognize the students who have been helping to clean the campus during their lunchtime.

Students will line up on the basketball courts by class in the same order they did on the first day of school. Our kindergarten students will gather at the lunch tables as usual and their teacher will walk them over to the assembly area. An additional speaker has been donated by Julie Fong to ensure that everyone will be able to hear.

So plan on joining us at the whole school community assembly and celebrate our growing PVES family.

The Center for Green Schools at the U.S. Green Building Council presents

GREEN APPLE™ DAY OF SERVICE

Saturday, September 24th, is the Green Apple Day of Service. This is a day of service sponsored by The Center of Green Schools. Every year people get together at their local schools and provide volunteer services and lend a hand where needed.

Dawn Brisco, who was the lead architect for our school, is bringing a group of professionals that include a Landscape Architect, an Irrigation Contractor and a General Contractor. They are all offering to donate time and materials to our school for the event.

We'll be working on trimming, weeding, mulching, the irrigation system, and more. If you are interested in lending a hand and donating your time, please join us. We'll be meeting at the school around 9:00am. More details to follow.

September is Annual Giving Month!

Thank you to everyone who has already donated!
