PRINCIPAL'S CORNER

Dear PVES Family,

There are many things that make PVES a special place. One of them is the level of involvement you, our parents, are in your child's education. We have countless volunteers each week that support the school with daily classroom activities, art, field trips, music, curriculum, library, and much more.

This past week you demonstrated your support by attending parent/teacher conferences. The conferences are coming to a close this week. This is such an important part of being a partner in your child's education the teachers and I appreciate your support.

You showed your backing for the future of a middle school by attending the information meeting that was co-presented by LMU and LAUSD. The questions you asked, the approval you voiced, and the wonderful thank you card you created, conveyed to all parties the positive support PVES has for this joint endeavor. Thank you!

Our very first English Learner Advisory Committee orientation meeting was held this past week. Thank you to those parents who were able to attend. There will be a second orientation meeting this week on Friday at 8:20 in the PVES library. All parents who have children who are English learners are invited to attend. Please make every effort to join us.

Thank you to all of you for showing your support for your children and PVES this past week!

Here's an opportunity to support LMU as they support children in need in the Los Angeles area. You can donate your gently used books to their annual book drive. Check out the flyer at the end of this newsletter.

With warmest of regards,

Rebecca Johnson
Principal
